ENHANCED ACCESS TO GREAT LEARNING EXPERIENCES

FOCUS

The Ntabazinduna learning group has started fundraising for their kit and have made their inaugural payment. Both the church and the community leadership have shown great dedication in this program and have worked together to make it successful.

We Educate!

Pastor Mbasela's learning group in Ntabazinduna was visited by Renee Cunningham. She met a group of vibrant learners who welcomed her with smiles. They shared amazing testimonies with her, telling her how the learning group has been helpful to them and the challenges they have come across as they learn.

The form four learners shared how the learning group is very helpful to them as they get to study together and share ideas, preparing for their final ZIMSEC examinations. They highlighted that being in the learning group has helped them learn a lot more because they discuss as they learn and they can log in to their accounts and study whatever they feel like studying at any given time.

Coming up!

Watch out for our weekend camp out with all our learners from different learning groups. This is going to be an exciting time for learners to connect and share their different experiences in their groups.

GOOD CONNECTIONS!

We signed a memorandum of Understanding with AWANA a worldwide nonprofit ministry focused on providing Bible-based evangelism and discipleship solutions for ages 2-18 reaching more than 4 million kids weekly. They are fundraising for EAGLE Nests to start learning groups in Binga which is a largely marginalized area in Mat North and Gokwe. We have accomplished laying the foundation for a wider reach.
